WM. ARGUE

JOHN MITCHELL,
A Commissioner in H.C.J.

CANADA AND THE PAN-AMERICAN.

Canada will be invited to join the Pan-American Union and become one of the supporters of the Bureau of International Republics. Canada is not a republic in form, but that is no obstacle, for it is as free and democratic as most republics. Republics and other political and national organizations are instruments for maintaining the freedom and protecting the rights of the people, and the Dominion of Canada is no exception to the rule.

"The continent to which we belong" is a phrase which has acquired associations of a controversial kind. But if Canada is not asked to change its political relations there is no reason why it should hold aloof from any agreement for furthering the common interests of America. We ought to have more trade with Mexico and the South American countries, and better acquaintance with their people. These objects do not conflict with British connection, in fact Canada would be useful service for the British Empire by taking an active and friendly part in continental politics.

The Pan American Union is an interesting and important organization. The new world is overshadowed by republics as the old is by monarchies. Canada, while a republic in nature, is a democratic and self-governing country. Monarchies have combined against republics, and upon America. It is true that wars and revolutions are not infrequent in South America, but the disturbance is exaggerated. There is not "got the measure" of the South American as an European war or revolution would do. North America is almost free from the danger of war except from danger arising from outside. Canada and the United States dwell together upon terms of confidence and friendship, and similar relations appear to exist between the United States and Mexico.

If these conditions can be perpetuated much will be done to preserve the peace of the world. The continent of America is now largely populated but it is destined to be the home of a population at least twice as large as that of Europe. Its relative importance in the world is daily increasing, and when it overshadows Europe in power as it is sure to do, it may free the world from the fear of war which is large a part of the passing of Europe.

Canada ought to have a representative at the conference at Buenos Ayres next July, and to put forward some of Canada's claims to a share of the trade of South America. It would be well to have a knowledge of Canada. A lecture from the conference might be given in a Canadian city. The object of a gathering of leaders would be promotion of friendship, and the recognition that Pan-America is one.

A POET OUT OF PRISON.

No book can define poetry, and no one can explain a poet. There is a temptation, however, to consider the phenomenon perhaps more than to consider the phenomenon. There is more or less of the supernatural about most people who do things that are worth doing, and poetry enters that class of work. So it is done with energy. The strong poet has no pity. The real subject for consideration is the man. Who can see nothing poetic in stone?

Poets may have been natural criminals, lawless out of the race, but not entirely so. Proof is not wanting that even murderers, editors, who have sung have come out of choosing their verse to [illegible]

Because it is sprightly and because spelling and the poet are both considered fair targets for the paragrapher many sarcastic things will be written and published about the man or career but there is one aspect of the case which deserves serious consideration. An illustration of good taste, as was seen in Canada before reaching his majesty. Out of employment, and "beating it" from Winnipeg to St. Paul, he got off the train at Kristeault Mons. He had had nothing to eat for 36 hours. The railway station was easy of access and Carter stole $24 and a silver watch. When arrested he had not the heart to make a defence, pleaded guilty and having no lawyer to plead for him, was given the maximum sentence, ten years.

For a moment-crazed boy driven by hunger and despair to commit a crime not against the person but against property ten years in prison would seem to be an unmerciful sentence. Imprisonment, Mercy is or should be, one of the great determining factors in sentencing offenders. It is right that the law should be vindicated, but it is unjust that those who err merely as Carter did should have meted out to them the penalty intended for the aggressive criminal whose hand is turned against all mankind.

A NEEDLESS SLAUGHTER.

Thousands of skylarks are being slaughtered in the United States every day to satisfy the demands of milliners who are using them to decorate the brows of Chantecler hats. The Audubon Society, which has entered a vigorous protest, points out that these little birds, which bring fifty cents in the millinery market, are sworn foes of the insects which destroy garden truck. "These bugs, when unchecked, do millions of dollars of damage to the growing crops," says an agent of the Society, and farmers in the districts where the skylarks are being slaughtered confirm the statement.

Argument as to whether the birds are really skylarks or not is beside the question. The meadow lark is not a lark but a starling and the horned lark is probably the only representative of its kindred found in America. But the little birds, pipits, or warblers, or whatever they may be, are known collectively as skylarks. The point is that the Audubon Society has ascertained the kind of birds that are being slaughtered and vouches for their usefulness in the great work of crop protection. The wholesale destruction of bird life is a good thing at the best but when the natural enemies of the pests which menace the country's crops are sacrificed to the demands for Chantecler hats, the time has come to call a halt.

CHARGES OF CRUELTY.

There ought to be a very thorough inquiry into the charges made by the New York Herald to the effect that orphan children have been used as human material for purposes of experimental research by physicians of the clinical laboratory of the University of Pennsylvania. The charge is that the children were inoculated with Koch's tuberculin, not for curative purposes, but in order to observe the effects and verify or falsify a certain theory. Tuberculin, it is said, was inserted into the eyes rubbed on the flesh, a raw form of ointment, and injected under the skin. It is said to be admitted that permanent deformity of vision might follow one of the experiments and that one test might cause blindness. The physicians in the Archives of the International Medical Association say that the results were such as to render part of the practices unjustifiable, a euphemism.

It would be unwise and unjust to accept [illegible] charges as true. It would be equally unwise to treat them as a piece of newspaper sensationalism. There is a line in all professions and callings. The natural desire of the newspaper reporter for a story of compelling human interest may lead it into exaggeration. The natural enthusiasm of a specialist may lead him to go too far in quest of material for research. It would be a mistake to rush to the defence either of the newspaper or the scientist without knowing the facts.

Scientists are rarely irritated by attacks on the process of vivisection and are somewhat too apt to rush to the defence of any man who experiments upon a living animal and says he is doing this in the interests of science and truth. In the current number of the Contemporary the statement is made that one hundred and fifty-two experiments have been performed and recorded for the purpose of observing the emotions thus excited. It is not wise to jump to the conclusion that these stories are invented in order to increase the circulation of a magazine or [illegible] Such a statement is [illegible]

Madam,

I am directed to acknowledge the receipt of your letter of the 31st ultimo with reference to the unclaimed land warrant, No. 1481, which was issued in favour of William Smith a member of the Red River Expedition of 1870.

This warrant is the property of Mr. Smith or as it appears from your letter that he is dead, to his personal representatives. The personal representatives of a deceased person are the executors of his will if he left one or the administrator to his estate if he died intestate. Therefore the documentary evidence to be filed here is the probate of the will of your deceased husband if he left one, or letters of administration to his estate if he died intestate, or a copy of the letters probate or letters of administration, as the case may be, if you do not care to send the original; but such copy must be one that is certified to be a true copy of the original by the proper officer of the Court from which the original letters probate or letters of administration have been or may be obtained.

In reply to Department of the Interior Reference No. 2099402, relating to undelivered Military Bounty Land Warrant No. 1451, issued in favour of William Smith, the undersigned has perused the papers in this case and has come to the conclusion that the only evidence that has really been offered to the Department up to the present is the declaration of Francis Vaillancourt, for, as a matter of fact, any one could obtain the knowledge which is set forth in the claimant's own declaration. The claimant should produce stronger proof of identity. He should account for his whereabouts during all those years that have elapsed since the alleged service in 1872 and 1873, and he should obtain the certificates of some officials, his Clergyman amongst others, that he is a man of good reputation, who is not likely to be an imposter or to make false representations.

Solemn declaration of Francis Villaneocurt, re-Emile Blais etc.

I knew a man by the name of Pierre Blais and sometimes he called himself EMILE BLAIS.

Paragraph 4 of my declaration re-EMILE BLAIS is all wrong because I was never in Manitoba.

Paragraph No.5 of same declaration is all wrong because I never was at No.35 Dowd Street, Montreal where he lived and I have not seen him for 17 years(7 years before he died)

Paragraph No.6 is all wrong. I never knew Anna Jack to be married to [illegible] Emile Blais and I never was at her house and I never have identified her as Mrs. Blais

I did not read the declaration which I signed re Emile Blais. They might have read it to me but I did not take any notice of it at the time, But now when it is explained to me in detail, I see there are several things contrary to facts.

Brown gave me one dollar. He had promised me five dollars, but only gave me one dollar. My brother Arthur Villaneocurt was with Brown at the time, acting as his agent.

AND I make this solemn declaration conscientiously believing the same to be true and knowing that it is of the same force and effect as if made under oath and by virtue of the Canada Evidence Act.

I the undersigned have witnessed the reading of this document to Francis Villaneocurt,

Re-Military Bounty Land Warrant
No. 1491 issued in the name
of Wm. Smith, File No. [illegible].

This man states that he enlisted in Toronto, not in Quebec, as stated in his application. The comradeship declarations of Francis Vaillancourt and Alexander Perreault are frauds. Vaillancourt did not go to Fort Garry, and since Smith did not enlist in Quebec, Perreault could not have met him in Montreal on his way to the Red River Rebellion. Perreault now states that he did not work in the shanties with Smith, as stated in his comradeship declaration. Smith states that he did not remember Capt. DeLellefeuille or Paymaster Armstrong, nor could he remember Col. Cassault. I am under the impression that this man Smith never served in the Red River Rebellion.

I beg to enclose herewith two declarations of abandonment, one from George Spence Ferris covering his entry for the north-west quarter of section 4- 14- 29, west of the Fourth Meridian, and the other from Charles Mc Brien covering his entry for the south-west quarter of section 4 in the same township, both of which are held as homestead entries.

I would be very glad if you would kindly have these declarations accepted and authority granted for the cancellation of the respective entries on the same day, as I am given to understand by Mr. Ross, of the firm of Short, Ross & Selwood, Barristers of this city, that he has a client who wishes to locate on the half section a South African scrip, and it would enable me to satisfactorily meet the wishes of these settlers, if the enclosed declarations could be acknowledged on the same day, and I would thus be enabled to have the posting notices properly issued and the two quarter sections made available for re-entry by the first elegible applicant

REGISTRATION BRANCH

Sir;

I wish you would, at your earliest opportunity, visit the whole of Section 25, Tp. 13, Rg. 1, West of the 4th Meridian. This land was filed on in April by George Mitchell and Joseph Mc Kay as Homestead and Pre-emption entries.

I am informed by residents in the vicinity that this land is absolutely unfit for cultivation being all lake bottom and valuable only for Hay purposes. It is also alleged that if those entries were allowed to be kept it would prove a serious injury to the neighborhood who rely mainly on that spot for their supply of Hay.

Kindly investigate this matter and let me have your report as soon as possible.

Sir,

I beg to inform you that a largely signed petition has been received in the Department from settlers and others in the vicinity of Irvine, Alberta, requesting that section 27, Township 12, Range 1, west of the 4th Meridian be withdrawn from the stock-watering reserve and made available for entry. The petitioners represent that the land is not required now for the purpose for which it was reserved. This section together with section 34 was reserved for stock-watering purposes in April, 1907 on the recommendation of a former Inspector of Ranches, but I wish to request you to visit the land, and to report at an early date if, in your opinion it is advisable that the reservation should be withdrawn. Dear Sir,

The Western Stock Growers Association, view with alarm the application which has been made by the Farmers in the vicinity, of the Stock-Water right covering sections 34 & 27, Township 12, Range 1, West of the 4th Mer. to have this water right cancelled, and thrown open to Homesteaders.

It is also claimed by the homesteaders that the water right is dry, but we can prove that the Lake has only been so twice since 1887, and even then they could always get water from the two springs which are at the bottom of the lake, and homesteaders have had to depend on these springs for a supply of water.

The Stockmen in this vicinity take strong exception to having this water right cancelled, as I might say, that on this water right there are springs where stock can get water at any time.

We feel that it would be a wrong thing to have this water-right cancelled, as you will recall, for it would be a general benefit to all settlers and stockmen in the county for the very reason

the water rightto the benefit of a few, would be a detriment to the many.

The Executive of the W.S.G.A. hope the Minister will see his way clear to leave the water right intact, and in making this appeal, we do not do so from a selfish point of view, butfor the general benefit of the country at large.

We feel also that the Government will take the same view as the Stockmen do, that the many should receive first consideration.

We shall await your reply to this appeal,knowing that it will receive your earnest attention, and remain,

Yours Respectfully,

President.

It is stated that a number of ranchers living in the vicinity have been using these lands for grazing their stock, and the Inspector recommends that this reserve be continued for at least another year, or until it is ascertained what the climatic conditions are likely to be in this vicinity in the future.

In the attached reference 15[illegible], addressed to the Minister, The Western Stock Growers Association protest against the cancellation of this reserve, and point out that it is required for stock-watering purposes by the stock-men residing in the district.

In view of the nature of the report made by the Inspector of Ranches, I think this reserve should be continued for the present.

Respectfully submitted,

MEMORANDUM: Deputy Minister.

In July last a petition was received from settlers residing in the vicinity of Irvine, Alberta, requesting that Section 17, Township 18, Range 1, West of the 4th Meridian, be withdrawn from the stock-pasturage reserve and made available for entry. The petitioners represented that the land was not required for the purpose for which it was reserved. This section and Section 24, adjoining, were reserved for stock-pasturage purposes in April, 1907, on the recommendation of the Inspector of Timber. On receipt of the petition, the Inspector of Timber at Calgary was asked to make an inspection of these two sections and to report. His report has come to hand and is to the effect that while a considerable portion of these two sections could be cultivated, it would not be possible to grow crops to any great extent in a wet season. He points out that there are settlers who have lived in this vicinity for four or five years, and this is the first season that they have been able to grow wheat successfully. It is put out that there is water on Section 24 but none on Section 17, which is necessary that it should be a stock reserve in connection with Section 24.

COMMISSIONER

Ottawa, 15th July, 1919.

MEMORANDUM

Mr. Hume.

General Check of Records, 1919.

Township 12, Range 1, West 4th Mer.
Sections 27 and 34.

The list sent me by Mr. Lawson, giving the standing according to the Patents Branch Registers of the lands in this township, shows that these two sections are reserved for stock watering purposes.

Mr. Drake of the Reclamation Service, who was asked for a report on the land, informs me that:-

"This reserve was inspected by an official "of this Branch on September 15, 1917. The "water supply is perennial and both reserve and "water are easily accessible to the public. The "N.½ of section 27, and 195 acres in the S.½ "of section 34 consist of good farming land, "while the remainder of the reserve is unsuitable "for agriculture. The best part of the surrounding "country has been taken up and this is the only "reserve in the vicinity which is open to the "public. A large number of cattle are still "watered at the lake in section 34. The Commissioner "of Irrigation concurs in the recommendation of "the inspector that the reserve be maintained.

"I consider it advisable that the reserve be "maintained since a water reserve appears to be "necessary in this locality and, in years of "drought, as a sanctuary for stock, it would "prove invaluable."

In view of this report I assume the reservation will have to be continued

In view of the present policy of securing as much land as possible for soldiers, kindly inform me if it is necessary for this office to take any steps with a view to ascertaining the possibility of throwing this land open for soldiers.

There will be numerous other lands similarly situated, and I would be glad to have a ruling for future guidance.

Sir:

I am in receipt of your memo on form No. 59, with the residence and cultivation duties defined thereon, in connection with your desire to be permitted to make application for patent for the South half of 36-33-3 West of the 4th Meridian, and in reply to say that according to your statements you have not performed as yet sufficient residence to enable you to make application for patent, and therefore before an application can be accepted from you it will be necessary to show that you have performed six months residence in each of three years. I might add for your information that between April 15th and October 16th, 1911 you performed six months residence and between October 16th, 1911 and 1912 you only performed five months and twenty-three days residence. If you can do this you may appear before a Sub-Agent attached to this district with two disinterested witnesses and make your application for patent and have same forwarded to the Department for consideration.

Please see the memorandum of the 3rd of September, last, and Mr. Perrin's remarks thereon.

The Inspector in his report of the 30th of October, last, states that Mr. Hanson performed the residence duties as claimed in the applications for patent.

The Inspector further stated that the homesteader has three buildings on the two Scrip locations, valued about $100.00, and he corroborates the statements as to the cultivation but states the neighbours say, "The cultivation has "been like the buildings, of the poorest kind. It is "the common remark that this is a notorious case "where a man can acquire a title to a whole section "of land without producing enough off it to feed "a team of horses over one winter. He seems to have "complied with the letter of the law."

Please say if you will accept the application as satisfactory.

HOMESTEAD INSPECTOR'S REPORT,

Supplementary form.

No of Report.

Name of homesteader Oscar Hanson.

Land.. N.½ of 16--72--6, W.6th

In October, 1910m a S. A. V. P. Scrip was filed by Mr. Oscar Hanson on the N.½ of 16--72--6, W.6th. He also filed a scrip on the S.½ of same section at same time. Mr. Hanson at once took up his residence on the N.½. He built a small log house on each half section. On the North ½ he build a stable 14 x 16. The houses are small about 12 feet square. The whole three may be worth one hundred dollars together. Mr. Hanson commenced his residence late in October but he counts it from November 1st, 1910. He resided for six months on the N.½ and then removed to the S.½ and he has moved that way every six months up to the present time and he was on the premises at time of inspection. In this alternate process of residence he had one break. Instead of remaining on this N.½ he went on March 8th,1912, and remained away until the end of the next month. On this trip he went to Saskatchewan his former home to see about obtaining his patent for a homestead there. That it seems is not settled yet. He brought supplies in with him on his return.

In 1911 Mr. Hanson broke eight and one-half acres on each scrip. In 1912 he broke none but he cropped the eight and one-half acres on each scrip. In 1913 he broke 21½ acres on each scrip but had no crop as seed was hard to get. In 1914 he cropped 50 acres and let 10 acres go wild again. His crop on this 50 acres was very poor and had been cut with a mower and was lying in heaps in the field on Oct. 30. wet with recent rain. He has no live stock on the premises and no fence. The whole section is a beautiful open sloping hillside with an excellent road on three sides of it. He has no well but half a mile west along the roadway is the bridge across Bear Creek. The neighbours say that the residence done has been ample and diligent, but the cultivation has been like the buildings of the poorest kind. It is the common remark that this is a notorious case where a man can acquire a title to a whole section of land without producing enough off it to feed a team of horses over one winter. He seems to have complied with the letter of the law.

30th October, 1914.

Sgd. Joshua Fletcher.
Hd. Inspector.

If, as the Inspector states, the entrant has fully complied with the letter or the law, it would not seem desirable for the Department to withhold patent, although it might have a good effect in the district if this could be done. I, however, submit the case for your consideration.

Respectfully submitted,

A.S. File #1801689.

Application for patent
made recommended.

Mr. Hanson applied for patents for both these grants on the 20th July, 1914, and from his statements it appears that he has completed the requisite duties with respect to both residence and cultivation. (See Form #58 marked).

As Mr. Hanson claimed exactly the same area of cultivation on each Grant, it was thought advisable to obtain a report from a Homestead Inspector as to this, especially in view of the fact that Mr. Hanson was applying for patent for a full section.

Attached hereunder is a typewritten copy of Homestead Inspector Fletcher's report of the 30th October, 1914, which I would ask you to kindly read.

The Inspector credits Mr. Hanson with the performance of the requisite residence duties, and also states that he has complied with the letter of the law so far as cultivation is concerned. You will note, however, that the Inspector states that the cultivation has, like the buildings, been of the poorest kind, and that it is a common remark that this is a notorious case where a man can acquire a title to a whole section of land without producing enough off it to feed a team of horses over one winter.

Sir,

I have to acknowledge the receipt of your letter of the 2nd instant, reference "40-687, enclosing a report from Mr. Assistant Inspector Fletcher, in connection with the North half and the South half of section 16, Township 75, Range 6, West of the 6th Meridian, Early Settlement of Mr. Oscar Hanson.

The case was submitted and in view of the Inspector's report, which states that the cultivation was less of the pasture kind, it will be necessary for Mr. Hanson to perform the cultivation duties in a satisfactory manner before he can successfully apply for patent for either of the above parcels of land. When he has complied with the above conditions he should execute a Supplementary Statement setting forth the facts which must be corroborated by two disinterested witnesses.

Be good enough to advise Mr. Hanson accordingly.

Dear Sir:-

Re Chas. Benjamin Brown
South African Scrip.

This man, as a South African Volunteer, had issued to him a South African Scrip, which he located upon the South Half of 19-58-6-West 5th. He claims to have had a good deal of hard luck and illness in his family, and is unable to prove up or to live upon the land in question. He, therefore, desires to abandon his entry and have returned to him the Warrant in question, in order that he may deal with it to better advantage.

Will you be good enough to let us know whether this can be done, and indicate to us what steps are necessary in the premises.

Your Ref. No. 10374, C.H.

I beg to acknowledge the receipt of your letter of the 30th ultimo, respecting the S.½ of Section 18, Township 58, Range 6, West of the 5th Meridian, and enclosing an instrument under the Volunteer Bounty Act appointing Charles P. Stephen the substitute of Charles P. Brown who located his South African Volunteer Bounty Land Certificate on the above described land, Abstract of Title covering the half section mentioned, Certificate of the Registrar as to executions in the name of Charles P. Memorandum :-

In 1910 Charles Benjamin Brown located his own certificate on the S.½ of Section 19, Township 54, Range 6, West of the 5th Meridian, and subsequently applied to abandon his entry, to locate elsewhere and to assign his rights.

Major Griesbach, of the firm of Messrs. Griesbach & O'Connor, of Edmonton, was advised in October last, that Mr. Brown could appoint a substitute not later than the 31st October, 1913, (when the time in which certificates could be located expired) and that the question of allowing the substitute to select another quarter section would be dealt with on its merits. The substitute of Mr. Brown was not appointed prior to the 31st October, 1913, but an instrument appointing Charles F. Stephen, of Edmonton, his substitute, dated 27th April, 1914, was recently received from Messrs. Griesbach, O'Connor & Company, who request that the same be approved of.

As the time in which South African Certificates could be located expired in October last, I am in doubt as to whether there is legal authority for accepting and registering this instrument. I think, however, as was done in a somewhat similar case which had been submitted to the Law Clerk, that the Department would be justified in registering the instrument and allowing the volunteer to appoint a substitute to complete the duties on the land he entered for.

If you approve, the instrument will be registered and the substitute advised in the usual way.

As no fees are charged, the [illegible] forwarded by Messrs. Griesbach, O'Connor & Company, will be returned to them.

Respectfully submitted,

In further reference to my letter of the 9th instant, and telegram of the 23rd idem, I beg to inform you that the Instrument appointing Charles P. Stephen, of Edmonton, the substitute of Charles Benjamin Brown, who located his South African Volunteer Bounty Land Certificate on the S.½ of Section 19, Township 58, Range 6, east of the 5th Meridian, has been registered here.

Entry granted, 17th June, 1914.

Cancelled homestead, C.W.Stevens.
Apparently vacant.

The question in this case is whether the application can be allowed to stand for the N.E. of 1., and the N.E. of 1. -E.¼ M.

In a letter dated 11th instant, Mr.Stevens states that the land, at present included in his S.A.V.S.Grant is a mass of small sand hills, entirely rough and all covered with willow, and that what little grass there is, is very scanty, it will be impossible to cultivate - the land is not fit for arable.

Under these circumstances, Mr. Stevens asks that he be allowed to abandon his entry for the S.E. of 1. and acquire instead, the N.E. of 1. - as this entry still then rest for the S.E. of 1., and the N.E. of 1. See Secty. herewith.

Some years have occurred in which the holder of a S.A.V.S.Grant has reported that such land was unsuitable for agricultural purposes and has been permitted to transfer such

MEMORANDUM

MR. HUME:-

S½ of 19-58-6-W5thM.
S.A.V.S.G. Charles P. Stevens.
Entry granted, 29th June, 1914.

NE¼ of 18-58-6-W.5thM.
Cancelled homestead, C.P. Stevens.
Apparently vacant.

The question in this case is whether the Scrip location may be changed so as to read for the SE¼ of 19, and the NE¼ of 18-58-6-W5thM.

This case was submitted on the 28th of January last, by Mr. Perrin, and a Homestead Inspector's report was authorized by the Commissioner, regarding this matter before arriving at any decision.

Instructions were received from the Deputy Minister on the 9th of April last, that when the Homestead Inspector's report was received in this case the statement was to be submitted to his Office.

Homestead Inspector's report dated the 18th of August last, states as follows:-

"I find that the statement of Mr. Stephen is not correct as to character of the land, mass of small sharp hills. In my opinion there is not one hit on this ¼ that machinery will not work on. On the East side of ¼ there is a strip of very good land, that is I mean easy cleared. About or near the centre their is a spruce and tamarac strip running from North to South ending in a slough on south, along North line running West a fair strip of land and on West side also fair agriculture land, slightly rolling but as above stated. Mr. Stephen, no doubt, looked over this land when placing his scrip and at that time could have made his choice and in my opinion I can't see any reason why the change Mr. Stephen asks for should be granted."

Please state action.

Mr. Stafford.

Mr. Hume.

S.½ 13-55-6-W. 5th M.
S.A.S. Location of Charles A. Stephens.
June 1914.

As the result of the general check of records cancellation proceedings were instituted in this case in May last. No defence has been filed.

Homestead Inspector Hagen reports in the way of improvements a house worth $12.00, 13 acres broken in 1916 and in crop in 1917 and 1919 and sets out that the neighbours claim no residence was performed. In his general remarks he set out as follows:

> "I made careful enquiry from the "oldest settlers close to land, while "some claim he must have lived on his scrip "as he lived in settlement for 5 years on "Sect. 16-55-6-W. 5, while other neighbors "claim he did not live on land. I know the "shack is not habitable at this date. He "never was on military service and character "of land is rolling and covered with fire "killed poplar and second growth and worth "at least $15.00 to bring under cultivation. "This land was cropped in 1919 by a Mr. Parks "who bought Mr. Stephens' other land."

I would be inclined to recommend that the entry be cancelled and submit the matter for your instructions.

Your reference 173761.

I beg to acknowledge the receipt of your communication of the 30th ultimo, enclosing the application for patent for the Volunteer Bounty Land Grant of Mr. Charles P. Stephen, the land above described, wherein he claims residence thereon as follows:-

1st April, 1916 to 1st October, 1916,
1st April, 1917 to 1st October, 1917,

together with the following cultivation:-

1916, broke 15 acres, cropped 15 acres,
1917, cropped 15 acres,
1919, cropped 15 acres.

On the 15th of July last Homestead Inspector L. C. Hagen visited this land and reported that from information received from residents in the vicinity of this land, no bona fide residence duties had been performed by Mr. Stephen, also that the shack on the land was unfit for habitation being valued at $12.00, whereas in his application for patent executed on the 10th ultimo, Mr. Stephen claims a frame house on this land valued at $100.00.

In view of the fact that the residence claimed by Mr. Stephen is corroborated by the evidence of two witnesses and that the Homestead Inspector in his report submitted information received from neighbours, I am to advise that before dealing further with this application it is considered advisable to have the Homestead Inspector furnish a supplementary report relative to the duties claimed by Mr. Stephen and also, if possible, declarations from neighbours in the vicinity of this land relative to the non-residence of the entrant. Mr. [illegible].

Sir,

I am directed to acknowledge the receipt of your letter of the 15th ultimo, and to inform you that the Minister has decided to grant you an extension of time for the completion of your homestead duties, and that you will be required to reside upon your homestead for the period of six months from the 15th September, 1906.

I am, Sir,

Your obedient servant,

[illegible]
Secretary.

September last was instructed to call for a supplementary report from the same Inspector.

On the 25th ultimo the Inspector reported that in his previous report the information he received was from people who were not aware of the facts, ... [illegible] in the locality continuously. The Inspector states that the whole was all stale... Mr. Stewart who lives near the road informed him that when any one wanted a board they could get it at Stephen's stack.

Mr. [illegible] Matthews executed a statutory declaration and claims that he has lived in the district continuously since 1911, except from the fall of 1917 to fall of 1918 when he was overseas, and states that Stephen lived on the farm sometime from June 1914 to June 1915, from the spring of 1916 to the fall and during the summer of 1917. That was all he has to say for Stephen, which appears to be correct as the Inspector says that Matthews and Stephen had considerable lawsuit over cattle straying over the property.

As Mr. Stephen's evidence has been corroborated by two witnesses and the last report seems favourable, I would suggest that the application for patent be accepted even though Stephen claims over four acres more cultivation than the Inspector gives him credit for.

No. of Report 173761.

Land S.½ of Sec. 19 Tp. 58 Rge. 6-W.5th M.

General Remarks Continued:-

In connection with the report I made on above land in July, 1920, I said in my report that some of neighbours told me that he had not lived on land while others said he had. Now on visiting this district a few days ago the man who told me that Stephen did not live on land he was a returned soldier and went overseas in 1915, so what he told me was his own opinion.

While Stephens don't claim any residence on his scrip in 1914 from June till time he filed on his homestead in June, 1915, his neighbours tell me he lived in tent on Scrip during summer and built a shack in Fall.

At time I visited this land in July last, his shack was about all stole away, while a Mr. Stewart living across road told me that when any one wanted a board they would get it at Stephen's shack. I asked young Stewart on that day if Stephen ever lived on this land and he said yes he was living on this land when we first came here, we ust to play ball in evenings. This boy was about 17 years old.

A Mr. Matthews, Sr., whom Stephen had so much law with over Stephen's cattle breaking in to his crop told me he put in all his time on his scrip. I know stephen had a large bunch cattle from 100 to 200 head and they caused lots of annoyance to neighbours. In app. for patent he claims 15 acres. I know 10 accrs. 44 rods is correct amount of cultivated land. I valued it at $15.00 per acre to bring it under cultivation, while Mr. Mathews said oh it is well worth $25. However, I think $15 was fair at time it was done. He has about 5 acres cleared of meadow land but never broke.

Sir,

S.½ 19--58--6-W. 5th M.
S.A.V.S.C. Charles P. Stephen.

With reference to your application for patent for the above described land made on the 10th August last, it is noted that in addition to claiming two periods of personal residence of six months each on your Scrip Grant, you claim to be entitled to take credit for a period of six months residence performed by Mr. Chas. B. Brown, the original warrantee, and in this connection to point out that there is nothing on file here to show that Mr. Brown lived upon this land at any time, but on the contrary there is a statement on file that owing to financial reasons and illness in his family, the gentleman in question was unable to live upon this grant.

It is also noted that your witnesses do not corroborate your statements in this regard.

Under the circumstances, before you could be given credit for any residence performed by Mr. Brown on this land, it will be necessary for you to secure a sworn statement from him corroborated by two disinterested witnesses resident in the vicinity, that such residence was performed.

At the present time the most you can be given credit for is the performance of the requisite residence in each of two years, therefore, if unable to secure the required evidence from Mr. Brown, it will be necessary for you to live upon your Scrip Grant for a period of six months and then file a supplementary statement showing that this has been done.

The supplementary statement in question would have to be corroborated by two witnesses, and the same would have to be executed before the Agent of Dominion Lands at Edmonton, or the Sub-agent for the district.

Your obedient servant,

Charles P. Stephen, Esq.,
1916-12th Ave., W.,
Calgary, Alberta.

Assistant Secretary.

K.N. 2102294.

DEPARTMENT OF THE INTERIOR
CANADA

OTTAWA, 22nd November, 1920.

MEMORANDUM.

S.½ 19--58--6-W.5th M.
S.A.V.S.G. Chas. P. Stephen, Substitute of the original locatee, C.B. Brown.
Entry granted-18th July, 1910.

Mr. Stephen has applied for patent, claiming the duties set out on Form 58-A (marked).

In this application for patent Mr. Stephen claimed that he was entitled to take credit for six months residence performed by the original warrantee, Mr. Brown, prior to the time, i.e., the 27th April, 1914, the assignment in favour of Mr. Stephen was executed.

You will note, however, that Mr. Stephen's witnesses do not make any reference to Mr. Brown's residence, and merely give Mr. Stephen credit for two periods of residence as follows:-

From 1st April to 1st October, 1916.
" 1st " " 1st " 1917.

The correspondence with Mr. Brown prior to the assignment in question would indicate that he never lived upon the land. Again, Mr. Stephen executed an application for entry before the Agent on the 29th June, 1914. He took an affidavit that there were no improvements upon the land.

At the most, therefore, Mr. Stephen would appear to be only entitled to take credit for two periods of six months residence. Further facts in relation to this case are set out in Mr. Edwards' memo, hereunder, dated the 18th instant.

A typewritten copy of the latest report from Homestead Inspector Hagen is attached hereunder.

The cultivation duties would appear to have been satisfactorily performed. See Homestead Inspector Hagen's report of the 15th July, 1920.

The house, however, is reported to be of little value.

Unless Mr. Stephen is able to produce definite evidence that Mr. Brown lived upon the land for a period of six months prior to assigning the land, it would appear that he, Mr. Stephen, should be called upon to make the house habitable and to perform another term of six months residence therein, but this point is submitted for your consideration.

Respectfully submitted,

J.W. Greenway, Esq.,
Commissioner of Dominion Lands,

Sir,

C.A.V.S.C. - Charles P. Stephen.

With further reference to your application for patent for the above described land, and my letter of the 23rd November last, I beg to inform you that advice has been received through a Homestead Inspector that Mr. Charles B. Brown, the original warrantee, is now living in West Africa, and it is, therefore, impossible to get a statement from him under oath setting out the actual residence performed upon the land above described.

The statutory declarations obtained by the Homestead Inspector in this regard are not considered sufficient evidence upon which to credit you with the performance by Mr. Brown of a period of six months' residence upon the land.

Under the circumstances, and in view of the meagre compliance with the other requirements attached to your entry, it has been decided to withhold approval of your application for patent until you have furnished evidence, corroberated under oath, by two disinterested witnesses, that you have lived upon the land affected for a further period of six months.

Taking into consideration the length of time during which you have held possession of this land, and in view of the fact that you have been absent therefrom since October, 1917, it will be necessary for you to resume residence not later than the 1st April next, and I am to warn you that should you fail to comply with this requirement, the Department will instruct Agent to institute cancellation proceedings against entry.

Re: S. ½ 19-28-6 West 5th Mer.
(SA - [illegible] Grad. F. [illegible]

Your letter of the 1st February, to Mr. Stephens was brought into the writer.

Stephens explains that he lived on this land himself in the years 1916, 1915, 1916 and 1917, although he only stated in his application for patent that he lived there during the years 1916 to 1917. He understood from Mr. Farquay, the agent at Edmonton that prior residence, which was more than 6 months, would be credited and nothing more was necessary.

He is writing you today fully in regard to the matter.

Personally I feel that the patent should issue to Mr. Stephens and I would be obliged if you would let me hear by return mail, addressed to me at Calgary, as to what you can do in the matter.

Yours faithfully,

F.G.McG/EM.

Sir,

S½-10-58-6-W.5th M.

I am in receipt of your letter of the 9th ulto with respect to your application for patent for the South half of Section 10, Township 58, Range 6, West of the 5th Meridian.

When making application for the issue of letters patent for your South African Volunteer Bounty Land Grant you declared that the dwelling house thereon was erected in April 1915, and that you performed residence duties in each of the years 1916 and 1917. As it would appear that there was no house on the land in 1914 and 1915, it is not understood how you wish to claim credit for the performance of residence duties as it is contrary to the practice of the Department to allow an entrant credit for the performance of residence in a tent.

If, however, you are in a position to establish your claim to the performance of bona fide residence in the years 1914 and 1915, you may appear before the Agent of Dominion Lands at Edmonton or before the Sub-agent of the district with two competent witnesses and execute a supplementary statement in support of your application for patent.

Your obedient servant,

E. [illegible]

Assistant Secretary.

Charles P. Stephen, Esq.,
1916-13th Ave. W.

of the meagre compliance with the other requirements, it would be necessary for Mr. Stephen to put in a further term of six months personal residence.

Mr. Stephen has since claimed that he personally performed residence during 1914 and 1915 and on the 16th instant he was advised Departmentally as follows:-

> "If, however, you are in a position to establish your claim to the performance of bona fide residence in the years 1914 and 1915, you may appear before the Agent of Dominion Lands at Edmonton or before the Sub-agent of the district with two competent witnesses and execute a supplementary statement in support of your application for patent."

Mr. Stephen has represented that since applying for patent he has purchased 1440 acres of land elsewhere and could not return to put in additional residence on his scrip. If he is unable to establish that he has personally performed the required term of six months residence prior to 1915, I think he might have an opportunity of purchasing the land, say at three dollars per acre in lieu of the performance of further duties.

Respectfully submitted,

S.½ 19-58-6-W. 5th M.

I beg to return your reference 2633 with reference to the desire of Mr. C. E. Stephen to secure patent for the above mentioned half section as a V.B.Scrip location without further duties.

The original locatee was C.B. Brown who made entry in 1910. Mr. Brown assigned to Mr.Stephen on the 27th April 1914 and Mr. Stephen completed his entry as required by the Departmental practice on the 29th June, 1914.

Mr. Stephen has applied for patent and is desirous of taking to his own credit a term of six months residence performed by Mr. Brown. At the time this matter came up first, I was of the opinion that Brown's residence could count in favour of Mr. Stephen but I did not observe that it was claimed to have been performed in 1915 after Brown had assigned to Stephen. With this fact in mind, it does not appear to me that under any circumstances, the time put in by Mr. Brown should count in Mr. Stephen's favour.

There being nothing from Brown himself regarding this term, an Inspector's report was obtained which shows that Brown is now in Africa. The Inspector submitted three declarations by neighbours and the case was submitted Departmentally. The ruling was that in view

Referring to the application of the Appleton School District No. 2818 for 1.82 acres on the south-east corner of the above quarter-section for a school site, I am directed to enclose herewith a copy of a letter recently received from the Secretary Treasurer, from which it would appear that the Board of Trustees is under the impression that the area need not be paid for. Will you be good enough to advise the Trustees that the purchase price at the rate of $10 an acre must be paid to the Department, as directed.

Referring to the departmental communication of the 3rd. October last, wherein you were informed that in your application for patent for your homestead the S.E. ¼ of section ..., township ..., Range ..., West of the ... Meridian, and application for patent for your scrip location the south ½ of section ..., township ..., Range ..., ... of the ... Meridian, you claimed residence on both parcels of land during 1913 from the 1st March to the end of May. I am to point out that the above was written in error, as on further examination it appears that the residence in 1913 does not conflict. I enclose form 58 showing the residence claimed in connection with your homestead, and as you will observe, you only performed four months and 24 days residence in your third year. As you have not performed the residence since last February, 1914 that can be counted to your advantage. It will be necessary for you to put in a further period of six months on your homestead before your application to be accepted. I might point out that the time you were absent from your homestead for supplies from the 16th June, 1911 to the 3rd March, 1911 cannot be counted in connection with residence for your second or third term. When you have complied with the above conditions you should appear before the local Agent, or Homestead Inspector and execute a supplementary statement setting forth the facts which must be corroborated by two disinterested witnesses.

I beg to inform you that representations have been made to this Department that the lien for $35.00 given to His Majesty in the right of the Dominion of Canada by Arthur Gill of Lac ste Anne, Alta., in connection with the S.½ 16-57-4-W.5th Mer. has been wrongfully registered in the Land Titles Office against the S.½ 36-77-6-W.6th Mer. standing in the name of Arthur Gill of Claimmont Post Office, Alta., who is not the same person as the lienor above mentioned, and that the said lien should not cloud the title to the last mentioned land.

You are, therefore, hereby authorized and requested to remove the lien for $35.00 from the South half of Section 36, Township 77, Range 6, west 6th Meridian.

A copy of this letter is being sent to Mr. Arthur Gill, Claimmont Post Office, Alta., for his information.

Dear Mr. Orme:-

I had a conversation with Mr. Jarrow while he was in the city, and I think we will manage to get to Toronto for the 16th. Jarrow will be, of course, one of the old timers from Toronto down country.

You may get Mr. Capon at the time, to state his case, but he has given me to understand that he will have a satisfactory result to meet his request.

With kind regards, believe me,

Ottawa, 7th May, 1910.

Dear Mr. Orme,

Referring to your letter of the 22nd ultimo on behalf of Mr. James F. Carrow, I beg to state that upon looking into the file pertaining to the matter referred to by him I find that it does not appear that Mr. Carrow is eligible to enter for a second homestead.

According to our records he obtained patent for part of the S.E. of 14 and N.W. of 15--11--17 W. 4th. on the 8th of March 1909. In his application for patent he and his two witnesses stated under oath that he first went into residence in March 1909, that he erected his house thereupon in 1891 and that the first breaking was done in the year 1889. Under the Dominion Lands Act it is necessary for a homesteader, in order to be eligible to enter for a second homestead, to have been in a position to successfully make application for patent for his first homestead prior to the 2nd of June 1889. From the statements contained in Mr. Carrow's application for his first

homestead

Geo. L. Orme, Esq.,

homestead it is quite evident that he could not have had his duties completed by the date mentioned. It is not, therefore, I regret to say, possible to meet your wishes on his behalf.

Yours sincerely,

Commissioner.

Sir,

Re W.½ of 1-11-26, W.4th M.

I am to acknowledge your letter of the 5th instant, in the matter of your desire to exercise your right (as you suppose) of pre-emption entry in respect to one quarter of the west half of Section 1, Township 11, Range 26, west 4th Meridian, and in reply to say this land was patented on the 14th December, 1901, in favour of the Calgary and Edmonton Railway Company and is, therefore, no longer under the jurisdiction of the Department. For information as to the present owner of the land you might refer to the Registrar, Land Titles Office at Calgary.

For your further information I may add that the privilege of pre-emption and purchased homestead entry was abolished by Order-in-Council of the 16th March, 1918, in view of which you no longer have any right to make entry for a quarter-section of Dominion Lands as a pre-emption or purchased homestead.

RE SEED GRAIN

Sir:

Further to your application for an advance of seed grain, I have to inform you that this department is only making an advance of seed grain to those in your district who are on unpatented land.

I note from your application that you only hold patented land and it is with regret, therefore, I have to inform you that your application cannot receive favorable consideration. You will require to look to your local municipality or to your Provincial Government for assistance in the matter of seed grain.

Your obedient servant,

J. BRUCE WALKER,

Commissioner

I haven't sold wheat since last summer & have lived all winter on [illegible] out. The Gov. won't let us [illegible] unless will the Gov. & the municipality rent. I don't see why the Gov. could not of told there agents not to have excepted applications from people who held only pastural land as they did not intend to cultivate it instead of excepting the application & then after two months tell them they can't have it. At that time I could have got money at the Bank & bought seed but at present it is impossible to get money & oats are unbuyable. I am inclosing a clipping of how the Gov is furnishing seed to help the farmers the importance of a crop this year. Now the farmers know that also how to grow a crop. But what they need is "Seed" to do it with I applied for 20 bushels of oats to sow 35 acres & was turned down. Now if I don't get it I will have to leave that land lay idle as I can't possibly get money or seed else where. My land is all under cultivation & I have a good house well & [illegible] but is not enough security to give a mortgage on my house for 20 bushels of oats. I hope up Town that you will look into this & see if it will not be possible for me to get this seed. I will pay any rate of interest & give what security I have. If not I will have to leave the land lie idle.

Yours truly Harry Fulton Sedalia Alta

"Mr. F. Manwell had 60 acres in wheat, same was seized by Sheriff for taxes and mortgage account. Messrs. Osler, Hammond and Nanton of Winnipeg is handling affairs. Recommend they be asked to pay the indebtedness."

This is N.H. I might add that there is no provision under which you can reconvey your land holdings in the "Dry Area" to the Crown. It will be necessary for you to furnish evidence that you have disposed of all your interest in such lands and that they stand in the name of some other person or persons, but not in the name of the Crown, or in the name of a member of your family.

Should you secure another homestead you would require to perform all the ordinary homestead settlement duties in order to obtain patent. Any Seed Grain or Relief indebtedness to this Department would have to be transferred to the new location

Patented purchased homestead.

I beg to acknowledge receipt of your letter of the 18th ultimo and in reply may say that under an amendment made to the Dominion Lands Act in 1923 the privilege of a second free homestead is extended to those settlers who took up homesteads and obtained patent for same prior to the 1st January, 1913, in what is known as the "Dry Area" in southern Saskatchewan and Alberta, i.e., that portion south of the south boundary of Township 31 in the old pre-emption and purchased homestead tract. The main points of the amendment are explained on page 8 of the enclosed "Hand-book".

If you wish to secure the benefits of the amendment you should first of all communicate with the Provincial Authorities at Regina, giving them full particulars as before your case can be considered by this Department you will require to obtain a Certificate of Approval from the Province. You should address your letter to the Deputy Minister of Agriculture, Regina, Saskatchewan.

In the event of your being successful in securing a Certificate of Approval you may then select one vacant and available quarter-section outside the "Dry Area" as specified in the amendment to the Act and make application to the Agent of Dominion Lands for the district in which the land is located to have it reserved for you. If the Agent is aware of no reason to the contrary he will reserve the land in your favour. You will then require to furnish this Department with satisfactory evidence as soon as possible in the shape of abstracts of Title showing that you have been divested of all interest in your patented homestead and any other land holdings(excepting town property) which you may have in the said "Dry Area", and also your patented purchased homestead just outside the area. Upon your furnishing this evidence you will be given

Dear Sir :-

Kindly be referred to our letter of the 8th January, 1927, requesting a statement of the liens in this case, and your reply of the 20th January with the figures. We notice that the liens consist of a seed grain lien, a fodder lien and two liens for other goods by way of relief.

This land was mortgaged by Eugene Henry Fulton to The Northern & Dominions Mortgage Company Limited on the 9th of March, 1914, and the mortgage was registered in the Land Titles Office at Calgary on the 16th March, 1914, as No. 163 B.C. The mortgage was subsequently transferred by The Northern & Dominions Mortgage Company Limited to our clients Osler & Nanton Trust Company, and the latter by reason of default under the mortgage have been obliged to foreclose. Title now stands in the name of Osler & Nanton Trust Company and the Registrar has endorsed upon the new title the four above mentioned liens.

As the mortgage had priority over at least the two liens for other goods by way of relief, you will agree with us that these two liens ought now to be removed from the title. We should feel obliged therefore if you would write the Registrar with discharges of them for registration and advise us of your having done so.

Apparently Messrs. Munson, Allen, Laird & Company, are not only objecting to the registration of $35.40, but also to the duplicate one for $81.30.

In view of the circumstances they might be advised that on receipt of a remittance sufficient to liquidate the seed grain lien for $81.30, and the latter lien for $20.40, also copy of an Abstract showing title to the above land standing in the name of their clients, the Toler and Manton Trust Company, this Department will remove all registrations affected by the liens executed by Fulton.

Sir,

S.W. ¼ of Sec. 36 Tp. 28 Rge. 14 W. 3 Mer. 14th July, 1928.

Some time ago you were in communication with this Department on the subject of a second homestead, and you were informed you were at liberty, upon obtaining a Certificate of Approval from the Province, to select a vacant and available quarter-section of land, outside the Dry Area, and have such quarter-section reserved for you pending the fulfilment by you of certain conditions as prescribed Departmentally under the amendment to the Dominion Lands Act made in 1923.

I am now to inform you that at the last session of Parliament a further amendment was made to the Dominion Lands Act, reading as follows:

"Except as otherwise provided in this Act, every "person who has received or receives or has become or becomes "entitled to letters patent for a homestead by the performance "of homestead duties, with or without payment of purchase money, "or by the location of scrip thereon, shall be deemed to have "exhausted his homestead right and shall not be entitled to "obtain another entry for a free homestead.

"Provided, however, that any person who on the first "day of January, 1925, had obtained or had become entitled to "letters patent for a homestead as aforesaid, may be granted "the right to make entry for a second homestead, subject to the "provisions of this Act.

"The holder of a pre-emption or purchased homestead "entry shall not be permitted to abandon the same in his own "favour or in favour of a relative for the purpose of making "entry for the land as a second homestead under the provisions "of this subsection".

Under this new provision it would appear that, provided the land above described is the only land for which you have obtained homestead patent, you are now entitled to take up another homestead, and the presentation and surrender of this letter to any Agent or Sub-Agent of Dominion Lands will be his authority for granting you, provided he is aware of no reason to the contrary, homestead entry for the vacant and available quarter-section of Dominion Lands anywhere in Manitoba, Saskatchewan, Alberta, or the Peace River Block in British Columbia, on the usual terms and subject to the provisions of the Dominion Lands Act and regulations thereunder.

If you are indebted to this Department for seed grain, relief, the land taken under authority of this letter will be subject to such indebtedness.

This replaces any previous action which may have been commenced in your case under the Dominion Lands Act amendment of 1923.

Your obedient servant,

Eugene Harry Fulton, Esq.,
Michel,
British Columbia.

DOMINION LANDS

Sir,

Re N.E.¼ 4-31-5-W.4th M.

I have your letter of the 3rd instant with regard to the seed grain, fodder and relief indebtedness that you incurred in connection with your purchased homestead, above mentioned, and in reply to say when you make application for second homestead entry under the authority of the Departmental letter of the 14th July last you are at liberty to make formal application by statutory declaration for an adjustment or apportionment of the indebtedness under the provisions of the amendment to the Seed Grain Act of 1927.

In the meantime, however, I may say that you are under misapprehension in stating that the indebtedness should stand against the land, namely, your purchased homestead, and not against yourself. The liability is distinctly a personal one, the land being the Crown's security, in view of which you are still responsible for payment notwithstanding the fact that title to your purchased homestead is no longer in your name.

Your obedient servant,

Acting Commissioner of Dominion Lands.

Dear Sir,

Re Your File No. 210279
NE. 4-31-5-W.4th

We have your letter of the 3rd instant with which you enclosed statement of certain Relief Soldier and Seed Grain claims, and we note from your letter that Eugene Harry Fulton gave security on the above described land for this advance.

In this connection, however, we would point out to you that Mr. Fulton could not have given security on these lands. Our Company obtained title by foreclosure, and it was not until the 1st of December 1919 that the lands were sold to Theresa Cecelia Fulton, with the personal covenant of Edwin B. Fulton. How therefore can these liens have been given by Eugene Harry Fulton, and attach our lands in 1919 and 1918? Would you please explain.

Yours truly,

Gentlemen,-

Your reference - N. 936.

I beg to acknowledge the receipt of your letter of the 15th ultimo, from which it would appear that you are of the opinion that the liens of Eugene Harry Fulton do not properly charge this land.

I would advise you that, from the evidence of a Historical Abstract of Title, the liens were registered under dates of the 16th of July, 1915, the 10th of December, 1915 and the 27th of December, 1916, and were registered while Eugene Harry Fulton still held title to the land, the transfer having been effected from him to Charles F. Hanwell on the 3rd of November, 1920. The seed grain and fodder liens concerned are, therefore, proper charges against the land.

However, I would state that on receipt of an amount sufficient to liquidate the Liens for $81.30 and $20.40 as given in our communication of January 20th last action will be immediately taken to remove all registrations.

With reference to our recent correspondence in connection with the Dominion Government Liens registered against this land.

When our previous letters were written our old file in connection with the property was missing. It has, however, now been located and on referring thereto it would appear that some considerable time ago it was agreed that payment of the Liens for $81.20 and $20.40 with interest would entitle us to a removal of all the Liens. For your information copy of a letter to our solicitors dated March 24th, 1927 from the Department of the Interior, Accounts Branch, is enclosed herewith. In accordance with this letter will you please send us a statement of the amount required to discharge all of the Liens with interest computed to the end of the current month, as it is our intention to pay them.

I beg to acknowledge receipt of your letter of 13th ultimo and would advise you that at the time the offer in question was made in 1927 you did not see fit to accept the offer made and since the creation of the Adjustment Board any concessions made of the indebtedness due would necessarily have to be ratified by Order-in-Council after investigation by the Adjustment Board.

However, before advising you definitely as to the standing of the indebtedness, the state of title is being investedas it would appear from previous correspondence that you had undertaken foreclosure proceedings in connection with the first mortgage of this land.

You may be assured, therefore, that you will be duly communicated with when title has been investigated.

I beg to send you herewith discharges of liens for $20.40 and $81.30, respectively, covering advances made to Eugene H. Fulton in 1915 on the security of the above described land, and to ask you to be good enough to have the necessary action taken in connection therewith.

Dear Sir:

Re: N.E. 4-31-5-W4

This Department has an old account against the above noted land for advances of Fodder, Seed Grain and Relief to Eugene Harry Fulton in 1915. We are anxious to bring our records up-to-date and if possible to settle this long outstanding account. It would assist us greatly if you would be kind enough to complete the attached form.

An addressed envelope which does not require a stamp is enclosed for this purpose.

Yours very truly,

Encl.

Title to this land is presently vested in this department having been acquired through proceedings under the Tax Recovery Act. This land is occupied at present under long term grazing lease and in view of its location in that part of the Province designated Special Areas there is little likelihood of same ever being disposed of by sale or utilized for any purpose other than grazing.

Re: Account of Eugene Harry Fulton
N.E. 4-31-5-W4

The matter of an application for an adjustment of indebtedness outstanding against the above mentioned party is referred to you, constituted as a Board to deal with such cases. Having completed an investigation I am now in a position to report as follows:

In 1915 relief amounting to $88.35 was advanced to Eugene Harry Fulton on the security of the above mentioned land. No payment has ever been received and the present standing of this account is:

Principal	Interest	Total
$ 88.35	$ 160.79	$ 249.14

Patent was issued in the name of Eugene Harry Fulton for the N.E. 4-31-5-W4 on the 16th of October 1913 and later became subject to the 1915 liens.

In 1926 the land became subject to the mortgage foreclosure and title was acquired by the Osler and Nanton Trust Company. The relief liens having no priority over the mortgage were removed from title.

The whereabouts of the original debtor is unknown and it is considered that there is no possibility of collection.

As the liens are no longer registered and there is no further security it is recommended that the indebtedness be cancelled.

DECLARATION OF ABANDONMENT.

In the Matter of the East ½ quarter of Section Six (6)

Township -36- Range -19- West of the 4th Meridian.

I, Eleanor B. Robinson

of Saskatoon, Province of Saskatchewan, Widow

do solemnly declare :—

That I made entry for the above-mentioned land as a Widow

at the Dominion Lands Office at Innisfail, Alberta on

the 15th day of November, 1912, and I now ask to have said entry cancelled for the following reasons, namely :—

I am the mother of four young children and owing to unexpected expenditures, I am obliged to earn a living for myself and family at some paying occupation at the present time other than homesteading. I also find on further investigation that the said land is situated near a mining district making the location undesirable to raise my family.

2. I have not resided on the said land.

3. There is a wire fence on the said parcel as per survey by the Dominion Land Official.

4. I cannot make entry as the present time but intend to file as soon as I am able.

That I have not received, directly or indirectly, nor have I been promised, nor do I expect to receive any consideration of any kind for allowing said entry to be cancelled.

And I make this solemn declaration conscientiously believing it to be true and knowing that it is of the same force and effect as if made under oath and by virtue of the Canada Evidence Act.

Declared before me at Saskatoon, Saskatchewan, the Province of this 14th day of June, A.D. 1918.

DOMINION LANDS AGENCY
EDMONTON, ALTA.

In the Matter of the S. E. of Section 2
Township 39 Range 5 West of the 4 Meridian.

I, Albert E. Brown
of Sedgewick Province of Alberta
do solemnly declare :—

That I made entry for the above-mentioned land as a Homestead
at the Dominion Lands Office at Red Deer on
the 5 day of April 1911.
and I now ask to have said entry cancelled for the following reasons, namely :—

State reasons. The land is not so well suited for farming, and I think the improvements are valued too high.

State nature of crop, if any, and if none, where it is intended. 15 acres in crop last year (1911), about 5 acres was broke when I filed on the land, and I paid $46.00 for improvements.

State if intention is to apply for other land or to leave the district. Yes in the near future.

That I have not received, directly or indirectly, nor have I been promised, nor do I expect to receive any consideration of any kind for allowing said entry to be cancelled.

And I make this solemn declaration conscientiously believing it to be true, and knowing that it is of the same force and effect as if made under oath and by virtue of the Canada Evidence Act.

OTTAWA - [illegible]

MEMORANDUM:

Request for Title under Order in Council of the 4th June, 1931, where duties completed by soldier settler.

Re: George Trike,
S.E.¼ 20-19-2 W.4th M. (Fur. Hsl.)

The above-described land is the unpatented homestead of this settler.

Subsequent to the initial loan approved in his favour on the 17th September, 1918, the settler secured advances from the Board totalling $227-.3[illegible], as follows: stock and equipment, $1486.30; permanent improvements, $[illegible]9.05; removal of encumbrances, $300.00. As security the Board holds a charge on the settler's homestead. There is no other land security held by the Board in this case.

The Board is informed that the settler has completed the duties in connection with his homestead, and would be entitled to receive patent but for the Board's charge. This is confirmed by the letter from the Commissioner of Dominion Lands to the Board dated the 5th March, 1931.

The regulations approved by the Governor in Council on the 4th June, 1931, P.C. 1021, enable the Minister, on completion of duties by the settler and on the request of the Board to vest the settler's right, title and interest in the unpatented Dominion land held by him in the Board, title remaining in the Board until the settler's indebtedness has been repaid. Such transfer of title also enables the settler to negotiate a sale of the land with the view to repaying the loan he has obtained from the Board.

The settler has requested that title to the land be issued to the Board. There is nothing on file to show that he contemplates discontinuing his farming enterprise. However, the settler desires to have title issued as aforesaid in order that it may be held by the Board as security for the advances granted, and in order to be in a position to negotiate a sale should he decide to do so at a future date.

Under the provisions of the regulations referred to, the Board hereby requests that the right, title and interest of His Majesty in the S.E.¼ 20-19-2 W.4th M. be vested in the Soldier Settlement Board.

The Board has an effective charge on the land under the recent amendment to Section 21 of the Soldier Settlement Act, as all the advances referred to in the second paragraph hereof were made to the settler subsequent to the date of entry for his homestead.

A Vesting Order for signature is attached hereto.

Sir,

Re S.E.¼ 20-19-8-W.4th M.

I have your letter of the 2nd instant with further reference to previous correspondence in the matter of your desire to be permitted to convert your purchased homestead into a soldier grant and thereby qualify for a refund of the purchase price of $512.16 under the provisions of the Order-in-Council of the 14th January, 1931, P.C.2329.

I may say, in reply, that advice having been received from the Provincial authorities to the effect that your soldier grant entry for the N.E.¼ 19-19-7-W.4th Mer., was cancelled on the 11th June last, it has been decided to grant your request, and your purchased homestead is hereby converted into a soldier grant under the authority of Certificate of Attestation No. 2219, which is now on file.

Issue of patent for the land will now be proceeded with in favour of the Soldier Settlement Board under the provisions of the Order-in-Council of the 4th June, 1921, P.C.1821. With regard to your application for a refund of the principal and interest paid on account of your purchased homestead as aforesaid, I may say the Director of Soldier Settlement is being requested by means of a copy of this letter to advise the Department whether there is any objection to this refund being made to you direct in view of your indebtedness under the Soldier Settlement Act.

Your obedient servant,

H.E.Hume,
Deputy Commissioner of Dominion Lands.
